Clear & cold but not unpleasant. Had not slept quite warm last night. The 55th colored left on the night. I sent the prisoners to the office doing business & reading the papers. After dinner went to the arsenal & purchased cartridges & c for my carbines. Bought 200 cartridges at the rate of about $31.00 per thousand. After this finish the Lord office was very stupid. Since supper have been sitting in my tent & thinking what I shall say to the Post tomorrow. There is very little news. I retire now at 10.15 o clock.
